BIEP Goal #3 - By 2023, the success rate of our Grade 10 students writing the Ontario Secondary School Literacy Test (OSSLT) will meet or exceed the provincial average.

At TVA, our SIEP Goal is to ensure that all teachers incorporate

assistive technology to maximize learning opportunities for students in the classroom.

Accommodations will be provided to students that have an Individual Education Plan.

To ensure that assessment, evaluation and reporting are valid and reliable, and that they lead to the improvement of learning for all students, teachers will implement the seven fundamental principles of the Ministry's Growing Success Document.

of Community Service and pathway plans.

Our Learning Support Teacher and Educational Support Staff will monitor and support students that have an Individual Education Plan. They will coe -3(an)4(ln)3(d).
